Beginner to Advanced

In this mini-workshop, we will paint the still life and the figure in simple costumes and props at Peggi's studio in Angels Camp, CA.

There will be lots of demonstrations emphasizing the big shapes and establishing their relationships correctly. This workshop is great for beginning to advanced students alike, in a comfortable and easy-going atmosphere.

"We will cover a lot of canvas-burning mileage by painting smaller sizes. I believe that more is learned through many small starts than laboring over a large canvas."

-Peggi Kroll Roberts
